SUPPLEMENTARY INFORMATION: Pertaining to the MPPP, federal lenders and Federally-regulated or sponsored lending institutions may not make, increase, extend, or renew any loan secured by improved real property located in a special flood hazard area (SFHA) unless the building and any personal property securing the loan is covered by flood insurance for the life of the loan. See Flood Disaster Protection Act of 1973 (FDPA) § 102 (Pub. L. 93-234; 42 U.S.C. 4012a). The FEMA Administrator carries out the NFIP to enable interested persons to purchase insurance against loss resulting from physical damage to or loss of real or personal property arising from flood in the United States. See National Flood Insurance Act of 1968 (NFIA) (Pub. L. 90-448, title XIII; 42 U.S.C. 4001 et seq.).

In general, individual mortgagees subject to the requirements of the FDPA obtain and maintain flood insurance for their individual properties. When individual mortgagees

to not obtain required flood insurance, the NFIP's Mortgage Portfolio Protection program (MPPP) allows covered lenders to ensure compliance with the requirements of FDPA by selling making available special coverage for the lender's entire mortgage portfolio. See 44 CFR 62.23(l). In order sell MPPP policies, private insurance companies participating in the NFIP's Write Your Own (WYO) Program must apply for and annually renew their election to voluntarily participate in the MPPP.

This proposed information collection previously published in the Federal Register on May 25, 2021, at 86 FR 28122 with a 60-day public comment period. No comments were received. This information collection expires on December 31, 2021. FEMA is requesting a revision of this currently approved collection. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.

Pertaining to the Ask the Advocate Web Form, Section 24 of the Homeowner Flood Insurance Affordability Act of 2014 (42 USC 4033), Public Law 113–89, 128 Stat. 1030, requires FEMA to designate a Flood Insurance Advocate that would advocate for the fair treatment of NFIP policyholders and property owners by: (1) providing education and guidance on all aspects of the NFIP, (2) identifying trends affecting the public, and (3) making recommendations for NFIP program improvements to FEMA leadership. Pursuant to this authority, FEMA established the Office of the Flood Insurance Advocate (OFIA) on December 22, 2014.

Members of the public regularly contact OFIA seeking assistance on the NFIP. OFIA seeks to facilitate the timely and effective management of these inquiries by creating a web form on OFIA's web page at <https://www.fema.gov/flood-insurance/advocate>. The web form will allow users to provide information that includes all the data necessary for OFIA to perform its Congressionally-mandated duties and responsibilities.

Consumers who submit an inquiry to OFIA will be required to fill-out ten (10) informational fields on the Ask the Advocate web form. These fields include: (1) First name, (2) Last name, (3) Email address, (4) Confirm email address, (5) How did you hear of Advocate's office (pull-down list), (6) Contact role (list field), (7) State (pull-down list), (8) ZIP code, (9) Subject (of inquiry) and (10) Questions/Comment (regarding inquiry). An eleventh (11th) field is a security CAPTCHA field intended to distinguish human from machine input as a way of thwarting spam and automated extraction of data from websites.

When a consumer submits this information, the data will be collected and stored on OFIA's Department of Homeland Security/FEMA-approved Customer Relationship Management cloud-based environment hosted by Salesforce.

Once OFIA receives this information, the inquiry will be assigned a system-generated "Case number", and then the case is then assigned to an OFIA Advocate Representative (FEMA employee). Using the data collected from the Ask the Advocate web form, the Advocate Representative will research the customer's inquiry and offer education and guidance to help the customer navigate the NFIP process.
